### JA Inspire Career Discovery Event

On April 18th, JA hosted the inaugural Inspire Career Discovery Event for almost 2000 students from 16 school districts at the Mohegan PA Hotel and Convention Center. The students engaged with over 70 exhibitors from nine different career clusters in hands on experiential activities that exposed them to career opportunities, created connections, and helped inspire them toward a pathway for future success.

Thank you to all of our generous sponsors, especially our presenting sponsor Discover NEPA powered by Mericle, the volunteers, and school districts that made this possible! See the student and company interaction for yourself on our new youtube channel.

### YES! Event at G.A.R Memorial Middle School

JA was proud to launch the YES! (Your Economic Success) pilot program at G.A.R. Memorial Middle School on May 24th. The entire class of over 330 7th grade students experienced a morning filled with JA Career Readiness programs delivered by volunteers from Procter & Gamble, the Pennsylvania State Police, and the City of Wilkes-Barre to help them get ready for the real world. JA NEPA plans to expand this program to many more middle school students in the 2023/2024 school year.

Your donations will support important career readiness and financial fitness programs like our Inspire Career Discovery Event, the YES! program, and K-12 programming delivered by volunteers in the schools to help prepare students for life and ready them for the real world. We thank you for all your support last year, and hope that you will join us again. NEPA Gives will begin on June 1st at 7pm and ends on June 2nd at 7pm. On that day we will send out a link, so keep an eye on your inbox! For more information, visit [nepagives.org](http://nepagives.org).
