YES! Day Experience

Sept. 26, 2024

We kicked off the school year with 800 7th & 8th grade students at Wyoming Valley West Middle School. What an incredible way to start our long list of YES! Days throughout Northeastern PA. Thank you to **Kronick, Kalada, Berdy & Co.** for supporting this day, and to the **44** volunteers that helped make this day a success!

The classrooms were filled with students eager to learn more about career readiness and personal finance.

Students got to learn about the manufacturing industry as part of their morning activities.

PA State Troopers love volunteering with JA NEPA and sharing their expertise in their field of work.

Our Team is Growing

We are so excited to welcome **Katie Hughes** to Junior Achievement of NEPA. Katie will be working closely with schools & community organizations on our YES! (Your Economic Success) Day programming.

Thank You for Your Support!

A huge thank you goes out to the **Wells Fargo Foundation** for their incredible support of our annual *JA Inspire Career Discovery Experience* and our *YES! Days*, and we are grateful to all their employees who volunteer with us throughout the year.

JA Inspire Career Discovery Experience

Mohegan Pennsylvania Hotel & Convention Center

April 1 & 2, 2025

Inspire is not a typical job fair, but a hands-on, career exploration experience where students will interact with exhibitors representing 10 career clusters helping to create connections, exposing them to career pathways they never knew existed, and inspiring them toward a pathway of their own future success. Take a quick look at this [2-minute video of JA Inspire 2023](#).
